I do not have internet access to activate my PATGuard 2 software. What do I do?

Internet access is required to activate PATGuard 2 as we no longer offer manual activations without a valid support contract. You can purchase a support contract by contacting us.

Alternatively you can upgrade to PATGuard 3 which includes free support including manual activation.

To Purchase or Upgrade please visit www.seaward.co.uk/pg3

If you require more help, please contact us at https://www.seaward.com/cms/enquire/.
